

ADA Curb Ramp Project

U000-275-R26, UPC 106688

ADDENDUM No. 1

The following changes, corrections, additions, deletions, and clarifications constitute Addendum No. 1:

1. A Bid Form has been added. Please use this form when submitting bids.
2. A bid bond is not required.
3. Survey stakeout will not be provided by the Town of Orange or their engineer. The contractor shall include any survey stakeout they deem necessary as incidental to the cost of other bid items.
4. Concrete testing will be performed by the Town of Orange's engineer.
5. The Town will not require any permit fees for the work.
6. Tactile warning devices shall be in accordance with VDOT specifications. The Town prefers the contractor use the precast concrete in the brick red color.
7. The No Plan Project document has been revised as follows:
 - a. Summary of Quantities:
 - i. Item Number 14450 (Saw Cut Curb, Gutter, and Entrances) has been increased to 56 LF
 - ii. Item Numbers 24160 (Construction Signs) and 24278 (Group 2 Channelizing Devices) have been deleted
 - iii. Item Number 24265 (Maintenance of Traffic) has been added
 - b. Transportation Management Plan General Notes:
 - i. Originally advertised Notes 2c, 2e, 2i, 3, and 11 were deleted
 - ii. Notes 2b, 4, and 10 (as numbered in the current no-plan document) have been revised
